Notes for I JOHN V. BORDERS:

John served on the British side, under Cornwallis during the American revolution as a Hessian soldier in the famous Tarleton's British Legion. His name appears on Captain John Rousselet's Muster roll in Feb. 1781. He and his brother Michael were captured at Yorktown and John remained in prison for several months. One story says that he switched to the American side when he was not paid but it has not been substantiated. Another story was that when Cornwallis surrendered, after his release, John Borders was granted permission to stay in this country. He then migrated to Walkers Station where he met and married Catherine.

Notes for ELBERT CYRUS:

Elbert is know as "Tick" or "Tickle". He served on Okanawa during the Koren War as a mechanic. He moved from Fort Gay, WV in the 1950's to Shelby, Ohio for better job opportunities. He worked at Standard Tube for 30 years before the plant shut down. He did prototype work on auto exhaustes. After the plant closed he moved to Brodnax, VA for his retirement. He also liked to remodel houses. He said he was a Jack of all trades and master of none. That isn't quite true. If something could be fixed he could fix it. He also played semi pro baseball in the 1960's while living in Shelby, Ohio. He played catcher and center field.

Elbert died on May 5, 1998 very suddenly. He was getting ready to plant some mint. He put the pitch fork in the ground and said look at how nice that soil is and Phyllis looked away for a moment and then heard him grunt. He fell to the ground and was taken to the hospital by the squad in South Hill. He fell about 1:45 and was pronounce dead at 2:44. Not sure on the cause of death. Doctors at the hospital say heart attach, but his family doctor says he didn't have heart disease. The family thinks it was a blood clot that went to his caroted artery.

Notes for PHYLLIS JEAN HINKLE:

Live more or less in Louisa, Ky. Was football queen in 1949 at LHS. Also was a majorette.

Attended Morehead State Univ. for awhile to get a degree in teaching home ec.

Meet Elbert in her parents store in Louisa. He had just gotten out of the service and came into the store. She was working there at the time and asked if she could help him. He replied "Yes, by jumping up on the counter and talking to me." After this he went home and told his family that he had just meet the girl he was going to marry. His family didn't believe him but it happened that he was right.

Phyllis was taken to the hospital MCV in Richmond, VA on Nov. 6, 1999 because she was having weakness in her left leg. After a CAT scan they found a large brain tumor. She had surgery on Nov. 8, 1999 and found out it was cancer, Lymphoma. She then was transfered to Elizabeth Adam Crump Manor on Wed. before Thanksgiving. She was completly paralyzed on the left side from the tumor and the surgery. She went down hill very quickly and the died at 11:00 AM on Dec. 15, 1999. Virginia (Ginny) her husband Ronald, Betty, and Helen were with her when she died. She didn't appear to be in pain and her passing was very peaceful. We can't ask for any more than that. She will be missed greatly by her children and Grand children. It was a very sad Christmas this past year but I'm sure it will get better.

Phyllis love to quilt and made some of the most beautiful quilts you could imagine. She also loved to fish mostly with Elbert. After he died she didn't have much interest in it. She was an avid football fan and her favorite team was the Cleveland Browns. She was also very smart. There wasn't alot you could put over on Mother.

She was a beautiful woman with red hair and a temper to match. She will be missed.

She attended North Central Technical College where she got her degree in Drafting and Design Technology. After graduation she and Ronald moved to Dayton, Ohio. Ronald's job at Firestone transferred to Dayton and since she was 8 months pregnant with Gene her first son she moved with the transfer.

In Nov. 1996 she moved to Richmond, VA. Since all her siblings lived in VA and her parents it only made sense to move. Ronald and her two boys didn't make it down to VA until Jan. 1997. Ronald got a job with AlliedSignal within 3 months of moving to VA. Ginny already had a job before the move.

School is going well for Gene in his freshman year in high school. He has struggled in the past but this year 1998 is going very well so far.
