Dear Mr. Dean:

Currently I am in the process of tracing my family tree, but as of now I have found very little to go on. I am hoping that your organization can be of some aide to me.

My biggest problems to start off with, is our name was changed after they come to Oklahoma. Some of family thought the name was spelled Lockerham, but as some documents indicate it was spelled Lockeram.

I am including what information I have should you be able to help me.

WILLIAM WADSWORTH COCKERAM WED

Possible in ROWAN COUNTY KENTUCKY

THEIR CHILDREN AS FOLLOWS:

This family traveled to Oklahoma around 1907 and returned to Kentucky a few years later, then returned to Oklahoma to stay after a few years in Kentucky. I am hoping that maybe some documents might give the correct name and spelling.

Once again I want to thank
you for any information that
your organization can help me
with

Regards
Dee Cochran
