There are so many different versions of the Dennis families that I hesitate to send info to anyone. I have worked on this family since 1965 and am no closer to have figured it out now than I was in 1965. I traded info back in the 60's and early 70's with Alberta Dennis. Now I've lost track of her.

And yet I have heard that one of the Dennis married a Buchanan, cousin to President Buchanan. I believe this came from somewhere in Calif. My grandmother on my mother's side was a Dennis. She used to laugh and say that got started by some of the Peratts because they wanted to be related to some high ranking person. I don't believe any of this has been proven. We have the same thing with the Lewis family. They claim relation with Geo. Washington and Pocahontas. None of this can be proven. If so, I haven't seen any of the proof.

Here is a little more on the Dennis's

I found at Frankfort where they had
John Dennis married Sarah Stephens B. 1816
B. ~~1816~~
4-11-1816

Sarah Stephens was the daughter of James +
Catharine (Shipp) Stephens.

(I had down + I guess I told you his name
was John or Jacob Dennis - Aunt Lela Mc. Brown
sent me the list + I couldn't hardly make out
some of her writing.) Then in birth records I found
children by same names as his 14 - Parents names John S. Dennis + Sarah Stephens

I gave you a list of the 14 children's names + births
anyway. the eldest Samuel James Shelton Dennis

(our line) was married 3 times -

(1) Martha Balin on 9-25-1856 (our line)

(2) Anna Johnson in 1866

3rd. I don't know her name.

Here is what I found on
Samuel James Shelton or James Samuel Shelton

Dennis + Anna Johnson -

had 5 children according to library at Frankfort -
never married

1. John - married Sarah Stephens
2. Sarah - " William Harpin
3. Stephen
4. Mr. Jack
5. James -

I don't think I
had them listed
that way.

note: Lafayette Dennis that married
son of Samuel Y. Dennis

Sarah Buchanan
had a brother
William + a
sister Martha
